

## eRegistration Solutions

Convergence.net is a premier provider and technology leader in the rapidly expanding marketing of online registration and reservation services. Our eRegistration capability is integrated with our eTicketing Platform bringing educators and special event planners unparalleled power and flexibility.

Our platform electronically delivers program-specific confirmations and eTickets and generates invoices or contracts for pre-enrolled groups such as schools. Multiple payments and payment types are accepted, including cash, check, grant, purchase orders and departmental charges.

### eRegistration Types:

- ◆ Birthday Parties
- ◆ Packages with Add-ons
- ◆ Seminars
- ◆ Camps
- ◆ Public Programs
- ◆ Special Events
- ◆ Food and Wine Events
- ◆ School Classes
- ◆ Tours

### Benefits to Using Convergence.net eRegistration
